COMPANY MISSION

To deliver certified, high-quality PPE solutions that protect lives, enhance workplace safety, and ensure compliance with Occupational Health and Safety (OHS) regulations.

COMPANY VISION

To become a nationally recognized PPE solutions provider means building a trusted brand known for delivering reliable, compliant, and high-quality protective equipment to both private and public sector clients. We aim to support workplace safety by supplying certified PPE, ensuring timely delivery, and maintaining professional, responsive service. Our focus is on earning client trust through consistency, compliance with safety standards, and a strong commitment to service excellence.

Zikhuselo Group ensures that all supplied PPE products meet South African Bureau of Standards (SABS) requirements and applicable international safety standards. We work with trusted manufacturers and verified distributors to maintain strict quality control and product traceability.

We support clients with compliance documentation, product specifications, and technical data sheets to assist in meeting Occupational Health & Safety obligations.
